## Keyboarding Chart

The keyboarding chart consists of four rows of keys. The top row has 13 white keys followed by a gray key. The second row has a gray key, 11 white keys, and a gray key. The third row has a gray key, 10 white keys, and a gray key. The fourth row has a gray key, 10 white keys, and a gray key. Below the fourth row is a large gray key labeled "Space Bar".

- 1. Fill in the letters, numbers, and symbols on the white keys of the keyboarding chart.**
- 2. Write in the names of the gray keys.**
- 3. Color the Home Row Keys.**
