Hand in Hand, Together, We make a Difference

May 1, 2008

Dear Parent,

We are quickly winding down the school year and soon students will be enjoying what we hope will be a long, safe and fun-filled summer. Our start date for the 2008 – 2009 school year is August 11, and it will be here before you know it. Already, we are making plans for students' return.

We are excited to offer an opportunity for all students in grades K – 6 to participate in an adventure to Fun Expedition in Johnson City, as part of our rewards / incentives program. The trips are scheduled as follows: K – 3, August 21st and 4 – 6, August 22nd. The cost per student is five dollars and is truly a bargain compared to the admission fee regularly charged at the facility. In addition, lunch will be provided at no extra charge. We want to give every student a chance to experience the fun activities that are available to them when they follow school rules, make passing grades and maintain regular attendance. The numbers of students who qualified for our end-of-the-nine week field trips steadily increased this past year and we want the trend to continue next school year. We are offering students a “carrot” - a type of incentive that we hope will inspire them to qualify for future quarterly trips. Students must make A's, B's and C's on their report cards, have no more than two unexcused absences and avoid referrals to the office that result in disciplinary actions within the grading period.

On behalf of all faculty and staff, we want to thank you for your support throughout the year. It has been a privilege to serve you and your child.

Sincerely,

Dana Stafford
John Mast
